NURSERY SERVICE

DESCRIPTION:

The YMCA Nursery is a free service to May Building Family Members. The nursery program was developed for members so they could get full use of their membership without the hassle of finding someone to watch their child. There are no educational or interactive components, etc., however there are toys, movies, and video games available for youth entertainment.

- Sick children should not use the Nursery (see Medical Exclusions below)
- Parents should inform the nursery attendants of any allergies or handicaps so that we may take every precaution possible to keep the children safe
- Please bring diapers, and bottles with children. We do not furnish diapers.
- Snacks containing peanuts are prohibited due to the number of children allergic to them.
- We provide snacks to the children.
- We do not recommend you bring any school supplies (pencils, crayons, books, etc.) in nursery with children
- Parents will be called if child becomes ill, can't adjust, or cries continually
